**MEAL EXEMPTION**

Dear Parents,  
Greetings!

This is to inform you about an important update regarding the '**school meal policy**'.

School meals are an integral part of our school culture. They provide an opportunity for students to develop healthy eating habits, engage in social interactions, and strengthen their bonds with peers. Sharing a meal together helps in building a cohesive and inclusive environment, which is crucial for the overall development of our students.

Starting from July, the school will no longer entertain requests for meal exemptions unless there is a documented food allergy. This decision is part of our ongoing efforts to foster a strong sense of community and ensure that all students benefit from the valuable experience of eating together.

If your child has a food allergy, please provide the necessary medical documentation to the school administration at your earliest convenience.

We appreciate your understanding and cooperation in this matter. Together, we can ensure that our students enjoy a supportive and enriching school environment.

Warm regards,

Ms. Nidhi Tewari  
Principal
