IBT LETTER FOR PARENTS 2024 -25

Dear Parents (Grade III TO VIII),

Greetings!

Please be informed that all students from Grade III - VIII, will be participating in the IBT (International Benchmark Test) Assessment and reporting program developed by the Australian Council for Educational Research (ACER).

ACER has created a global program of school-level tests in English, Mathematics, Science and Reasoning suitable for students across a range of countries. These high-quality tests enable teachers, parents, and school leaders to get an insight into the educational development of students throughout their years of secondary schooling.

The IBT assessment program draws on ACER's many years of experience in educational research. Requiring students to think about topics rather than just recall information, to apply their subject knowledge rather than just remember facts, the IBT is at the forefront of modern educational measurement.

This Academic Year, students will be appearing in only three assessments, English, Science and Mathematics. These assessments will be conducted in the online mode at school.

Please send a cheque for Rs. 660 in favour of Ridge Valley School with your child by Wednesday, September 11th, 2024, and ensure that it is submitted to the Class Teacher. Kindly ensure your child's name, class, and section are written on the back of the cheque.

For students in the Wellness Department, payment is only required for the subjects they are studying at school. Kindly submit a cheque for Rs. 220 per subject to the respective Class Teacher.

Kindly make a note of the dates as mentioned below:

Grades III TO V

| Subject of the Benchmark Assessment | Day/Date |
|-------------------------------------|--|
| Mathematics | Monday, 20 th January 2025 |
| English | Wednesday, 22 nd January 2025 |
| Science | Tuesday, 28 th January 2025 |
