**PLASTIC WARRIORS**

**Plastic Donation for Sustainability Initiatives**

In light of growing environmental concerns and our commitment to sustainability, Ridge Valley School is launching a **Plastic Donation Drive** aimed at reducing plastic waste in our community. This initiative is an opportunity for all of us to collectively contribute towards creating a cleaner and healthier planet by responsibly managing plastic waste.

Students are required to collect clean plastic waste and bring it to the drop-off location that is near the school book store. Four house wise cartons have been kept for the collection. The House whose carton fills up first each month will receive 10 points added to their overall total.

We encourage donations of clean, recyclable plastic items such as:

- Plastic bottles and caps
- Takeaway food containers
- Plastic bags and wraps
- Straws, cups, and cutlery
- Any other non-hazardous plastic waste

The waste will be sent to a certified recycling facility on a monthly basis. Together, let us make a meaningful impact on our environment. Your participation in this Plastic Donation Drive is not only a step toward reducing waste but also a contribution to a sustainable future by reducing carbon footprint.

For more details, feel free to reach out to Ms. Sonal Arora or Ms. Sunakshi Mathur.

**Let's reduce, reuse, recycle, respect and refuse for a better tomorrow!**

**REDUCE, REUSE, RECYCLE,  
RESPECT & REFUSE  
For a better tomorrow!**

Warm regards,

Ms. Nidhi Tewari  
Principal

Ms. Madhur Usgaonkar  
Director
